3 If you prefer to continue with the website/computer version, below is how you will update your information.

In the purple bar, click the upside down carrot. This will open up a new bar.

Every category in light purple within the white boxes will need to be clicked, updated, and saved. Then click "My Health" on the upper left hand side.

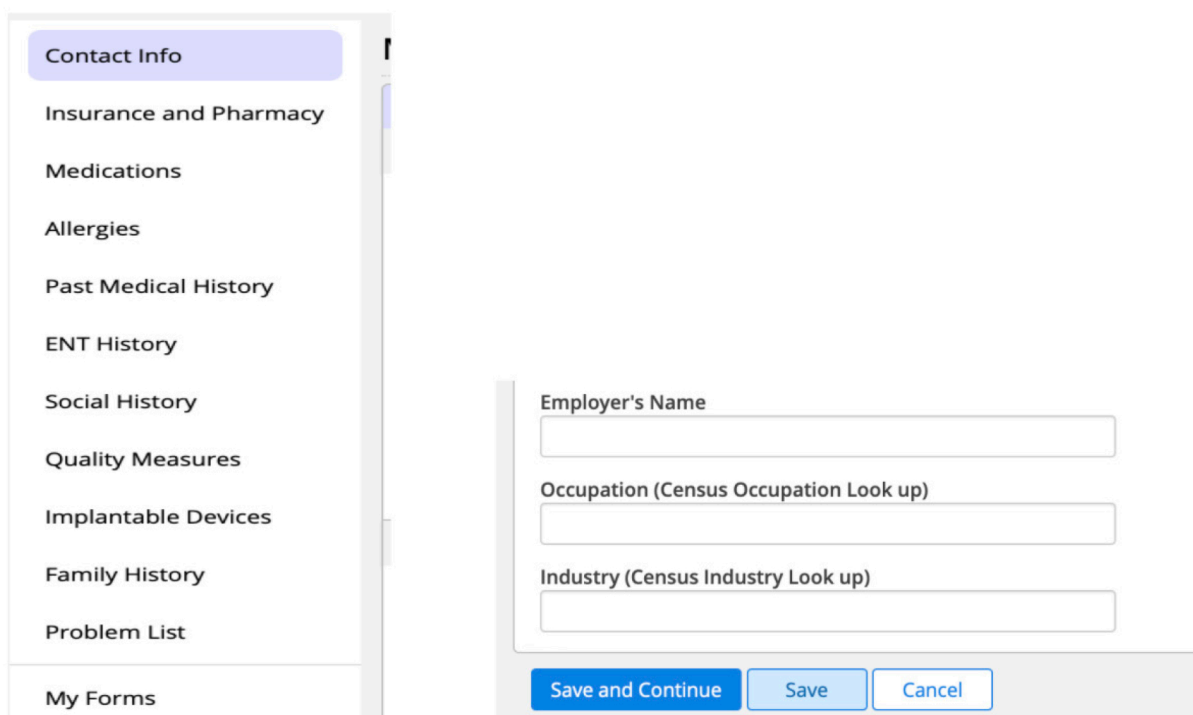

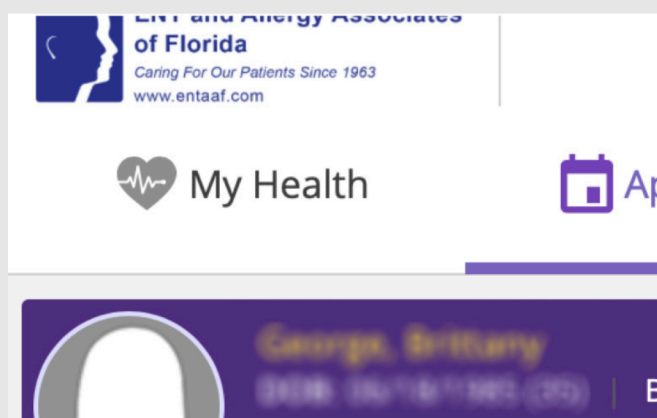

4 Once you click "My Health", it will bring you to a page that looks like this:

Fill out all the sections on the left-hand side. Make sure to click "Save" after you complete the fields in each section.

5 Once you have completed all the fields, feel free to sign out. In order to ensure your profile stays up-to-date, the Portal will periodically send you an email reminder to update it.
